

Dear Parents and Guardians,

As your child may have shared with you, Reading Plus and the Jacksonville Jaguars have generously donated 20 tickets to R.J. Murray Middle School to be used as an incentive for our amazing Reading Plus program. These tickets are for the December 11th game between the Jaguars and the Minnesota Vikings. Three teachers will accompany students to the game and transportation will be provided.

In order to participate in the contest, students will need to earn as many combos as they can between now and December 8th. Students achieve a combo by scoring two consecutive 80% or higher on their See Reader lessons. Each time they earn a combo, students will be given a ticket that will go into a drawing. The drawing will be held on December 8th and winners be announced at the end of the day. There is no limit to how many times a student's name can go into the drawing. This wonderful incentive program is an excellent way to motivate and engage your child to improve their silent reading comprehension, vocabulary, and reading fluency. All MMS students are eligible to enter the drawing.

Students can work on their See Reader lessons at school or at home. Reading Plus is web-based and very easy to use. We ask that you encourage your children to participate in this wonderful opportunity and help them track their combos. This will also allow you to familiarize yourself with the program and see how your children are progressing. If you have any questions about the Reading Plus program, please contact Laura Hinds, Instructional Literacy Coach, at laura.hinds@stjohns.k12.fl.us. We look forward to announcing the winners soon!
