MS Physical Education Waiver Request Form

Florida middle school students are required by state statute to take at least one semester of physical education during each year of middle school. Parents are allowed to request a waiver from the requirement if their child is participating in physical fitness activities outside of the school day that are equal to or in excess of the requirement.

In addition the school can waive this requirement if the child needs remedial courses such as Intensive Reading and/or Intensive Math.

Through the completion of this form, you are requesting that your child be waived from the physical education requirement.

I request that my child _____ be allowed to waive the physical education requirement for the 2016/2017 school year due to his/her participation in physical fitness activities outside of the school day that are equal to or greater than the required state statute physical education course.
