

Dear Local Business,

R.J. Murray Middle School would like to welcome you to our Bulldog Family and share with you an exciting opportunity. My name is Robin Kingery and I am coordinating with the R.J. Murray Middle School PTO to give sponsors the opportunity to join other businesses in support of our Murray Bulldogs!

The majority of our dynamic school is composed of low income families, and this program will help our school purchase much needed technology equipment, provide classroom resources, field study opportunities as well as learning incentives. R.J. Murray Middle School is proud to say that we also house the St. Johns County Center for the Arts Academy as well as the Cambridge Advanced Studies Academy. Partnerships and support from community business partners like you are vital to enhance the learning environment and student success.

We would love to partner with you and have many opportunities to share your business with our audience. Some of these opportunities include digital marquee highlights, school website recognition, PTO newsletters, emails, PTO meeting announcements, school-wide announcement emails, social media acknowledgments, and of course banner signage on our front fence. The fence line sits along the corner of Holmes Blvd. and King St. Extension, which will give you the opportunity to advertise your business in a prime location.

RJMMS PTO thanks you in advance for your consideration in becoming a business partner and look forward to welcoming you into our Bulldog Family! Every sponsor is very important to our school. It is because of the generosity of sponsors like YOU that we are able to provide a fun and rewarding school year for our students and staff.

We anticipate another successful Bulldog year! If you have any questions, please do not hesitate to contact us at rjmmspto.partners@gmail.com

Sincerely,

Robin Kingery
