

# Distance Learner Expectations

## Daily Procedures

- Students will log on to Schoology at 7:30 to begin completing assignments and checking in with teachers based on their class schedule.
- Students must complete daily assignments by the end of the school day to be marked present for that course
- Students will have instruction in a variety of formats
  - Pre-recorded lessons to access with an interactive activity to complete
  - Live lessons with teachers (teachers will post which model to look for in their Friday Schoology update)
  - Schoology “Class Notebooks” will be utilized for students to organize their work, complete their assignments, interact with their teachers, and receive feedback in an interactive format
- [District Video on Distance Learning](#)

## Student Expectations

- All distance learners are expected and required to complete assignments and tasks every day.
- Students must turn in their daily teacher-directed assignment/activity (poll, discussion, assignment, assessment, check-in, etc.) in each course by 2:00
- Students assignments mentioned above will be used as their distance learner attendance.
