

To: Parents of students placed on quarantine
From: MMS 8th grade academic team

Dear Parent or Guardian

Your child was recently placed on **quarantine** due to exposure to Covid 19. Our goal is to keep them on track as much as possible during this time. Please have them use **Schoology** to access their academic materials. Everything they need to stay on pace should be located in each class folder. Additionally, they can easily contact each academic teacher from there with questions.

Again, our hope is that we can keep your child from falling behind during this quarantine period. Please do not hesitate to contact me or the other teachers with any questions of concerns.

One Team No Limits!
