

Bulldog Community,

We hope you had a fantastic weekend and are ready to celebrate a great Thanksgiving. This is a perfect time as a school to reflect on how thankful we are to work with such an amazing community of students, parents, and partners at RJMMS. As Principal, I am personally thankful to work with such an amazing, dedicated, and talented staff that will stop at nothing to ensure our students have what they need to be successful. Please see below for notes on upcoming events and important items:

- We have a virtual SAC meeting today at 4:00pm. Interested community members can attend at the following link: <https://tinyurl.com/rjmmsSACNovember2022>
- Interim grades were released on HAC on November 17th. Please review grades with your students and monitor class Schoology pages for updates and resources. Our teachers are all willing to provide support and remediation to any student in need of assistance. Our math teachers offer after school tutoring sessions as well.
- Our SJCCA performance season is off to an amazing start! We had a very successful 2-night run of "Gathering Blue" last week and our band and chorus students braved the cold and rain to entertain the community at the St. Augustine Welcome Center last night. Our remaining SJCCA schedule is below.
- We are very excited to hold our Positive Behavior Rewards "DOJO Day" tomorrow starting at 12:15. Students had the opportunity to use their DOJO points to purchase opportunities including a dance, a student VIP performance of "Gathering Blue", board games, eSports, and more! It's going to be a great afternoon rewarding students for all of the positive choices they are making on campus!
- A reminder that PE uniforms are required for all students in PE. This is for safety and health. Students who do not dress out in their PE uniforms may not be allowed to participate and will have their grades adversely impacted. Please contact Coach Dunham or Coach V immediately if you still need to purchase a uniform. All PE students must have a uniform purchased by November 30th.
- Our second round of state F.A.S.T. testing is right around the corner starting in December. Testing dates are posted in our "GROWL Update".
- Yearbooks are now available for order!
