Parents Right to Know Notification

At St. Johns County School District, we are very proud of our teachers and paraprofessionals and feel they are ready and prepared to give your child a high-quality education this coming school year. As a Title I School, we must meet federal regulations related to teacher and paraprofessional qualifications as defined in Every Student Succeeds Act. These regulations allow you to request information regarding the professional qualifications of your child's classroom teachers and paraprofessionals, including the following:

- a. if the teacher has met State certification and licensing requirements for the grade levels and subjects for which the teacher provides instruction;
- b. if state certification and licensing requirements have been waived for the teacher under emergency or other temporary status;
- c. if the teacher is teaching in the field of discipline for which they are certified or licensed;
- d. if your child is receiving services from paraprofessionals, his or her qualifications.

Parents also have the right to request information regarding State or local policy concerning student participation in mandated assessments. Our staff is committed to helping your child develop the social, academic, and critical thinking he or she needs to succeed in school and beyond.

If you would like to request any of the information above, please contact Marquez Jackson, Assistant Principal Title 1 contact, 904-547-8487 or Marquez.jackson@stjohns.k12.fl.us

Sincerely,

Esther Seward, Ed.D
