August Character Counts Pillar – All Pillars

SJCCA Theater

We are excited to announce that auditions for our upcoming musical production of "Shrek the Musical, Jr" will take place on Wednesday, August 26! Due to VERY high interest, we have added a second day of auditions on Thursday, August 27. **Please touch base with your student to determine if they plan to audition next week.** If your student plans to audition, make note of the process below:

- Auditions will begin immediately after school in the auditorium on both days. **Please ensure your student knows exactly which day and time they are scheduled to audition.**
- Your student will have already signed up for a 5-minute time frame or may need to sign up for a 5-minute time frame on the sheet in the hallway outside Ms. Brown's classroom on C-Hall.

Audition Requirements: Prepare 30 seconds of a musical theatre song to sing. Your student is responsible for providing their own backing or accompaniment track. YouTube has every karaoke track you could possibly want. We suggest you screen record it because internet access in the auditorium is not available. If your student does not have a backing track- he or she will sing without one.

Students will be finished approximately 10 minutes after their scheduled audition time. Please plan to pick up your student promptly. **Please double and triple check that your child knows their audition day and time and plan to be waiting outside for them approximately ten minutes after that 5-minute window.** They will not be released from the building unless our door keeper verifies with them that your vehicle is outside.

Casting & Commitment: Please note that not all students who audition will be cast in the production. Casting decisions are based on many factors, including vocal ability, acting skills, stage presence, and the needs of the show. As a competitive arts school, we hold high expectations for our students both in performance and professionalism - all casting decisions made by Ms. Brown and Ms. Burleson are final. Teachers will not reply to emails contesting casting decisions.

The rehearsal schedule is extensive and demanding. Most rehearsals will be held Monday through Friday, after school until 4:00 p.m. As we get closer to the performance, rehearsals will extend later until 5 pm. If your student is selected to be a part of the cast, they are expected to be present at ALL rehearsals for the entire duration of the rehearsal process, unless an absence has been approved in advance by the directors.

Because of this level of commitment, we ask that students only audition if they can fully dedicate themselves to the rehearsal schedule. If your child has other after-school activities or obligations that may conflict with the rehearsal schedule, it may be best to wait for a future production.

The cast list will be emailed to everyone at 2pm on Friday, August 28th and posted on the Shrek bulletin board on C-Hall at 2pm.

2026 UNF Physics Photo Contest

Submit your photo using the weblink above or email j.t.haraldsen@unf.edu
Subject line:
2026 UNF Photo Contest

Submission Period: Sept. 1 through Oct. 16
Finals on Facebook and Instagram: Oct. 26 through Nov. 1
Winners announced: Nov. 2 or 3

To compete in the contest, you must submit your photo, title, and description on the website (given by the QR code above) or email your submission to j.t.haraldsen@unf.edu by 11:59 pm on October 16, 2026.

Your photo must demonstrate/encompass/involve a concept of physics. These can be in any category of picture (natural or contrived). Animated and/or altered pictures are NOT allowed. However, a collage of multiple photos is acceptable.

Along with your photo, you must include a title and a small description (3-4 sentences) of the physical concept(s) involved in the photograph, your name and school, and your corresponding email address. Photographs must be owned by the participant and original.

Who can enter?

This contest is open to all students in the greater Jacksonville area (Jacksonville, Jacksonville Beach, and surrounding counties). This includes college, high school, middle school, and elementary school students. Middle and elementary school participants should have their parents submit their entry or have a class entry through their teacher.

How will judging work?

All entries will be evaluated by a committee of UNF Physics Faculty. From the original entries, the UNF Physics Faculty and staff will choose the top 10 photos to go to the final round. In the final round, the photos will be uploaded to the UNF Physics Facebook and Instagram Pages. The fans and followers of those social media Pages will then vote on the photos. The total number of votes will be determined by the number of likes and reactions the photo gets from both pages combined! In the event of a tie, the winners will share a fraction of the combined winnings from the combined places. All votes for the top photos will be verified. Fake or robot votes from fake accounts will be disqualified.

What is the takeaway?

There will be a 1st, 2nd, and 3rd place awards. The awards will be a \$100, \$50, and \$25 gift card for Amazon.com, respectively. There will also be a \$50 gift card prize for the top faculty and staff pick.

This competition is on an honor system. Therefore, it is expected that all participants will act fairly and not tamper with votes (this includes purchasing of votes and reactions). If a photo is suspected of this, then it is possible that their photo may be disqualified. Votes should be from real accounts. UNF Physics reserves the rights to post and use photos on Facebook and other social media outlets, as well as in other media outreach for the department and university. Photographs must be owned by the participant, original, and cannot be found online. By submitting a photo, you are agreeing to these terms.

Student Dress Code

The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). The St. Johns County School District expects students to dress in a way that is appropriate for the school day or any school sponsored event. Student dress code requirements reflect fair, equitable, and consistent practices for all students, while contributing to a safe and positive school climate.

In accordance with statutory requirement F.S. 1006.07 (students are prohibited from wearing clothing that exposes underwear or that exposes body parts in an indecent or vulgar manner).

Pajamas shall not be worn as exterior clothing on campus.

Clothing must cover areas from one armpit to the other armpit, down to the mid-thigh. Tops must have shoulder straps and be long enough to adequately cover the waistline and not expose the midriff.

Students must wear shoes that are safe and appropriate for the learning environment. **Bedroom slippers are prohibited.**

The principals or designers will determine the appropriateness of attire in conjunction with the current dress code policy.

For special events and occasions (spirit weeks, athletic contests, etc.) principals may modify this policy for their particular school.
