### Field of Dreams Baseball – An Overview

Effective 09-01-2026

**Who We Are:**
Field of Dreams Baseball (FOD) is a youth sport league within the Creeks Athletic Association, a 501c3 corporation, located in Northwest St. Johns County, Florida. It was founded in 2011, and its inaugural season had 4 teams consisting of 41 players. Since that time, the league has grown year-over-year with the 2026 season supporting 14 teams with over 270+ players.

**Mission:**
Our mission is to provide a sustainable and all voluntary based organization that provides a safe ADA certified facility where children and young adults with special needs can play baseball FREE and be an active part of a thriving athletic association.

**Purpose:**
Our purpose is to enable children and young adults of all ages with special needs the opportunity to play baseball in an organized league; to wear a uniform; to participate in the singing of the National Anthem before each game; to have their names announced throughout the game; and to be a player on an athletic team.

**Actualizing Our Mission and Purpose:**
At FOD Baseball, we have two overarching operating principles which drives our organization:

1. **All things are FREE at Field of Dreams**
   As of the 2026 season, it costs $115 to place one child on the field. This cost includes a full major league replica jersey (hat, pants, shirt, belt, and socks), player insurance, and miscellaneous league expenses. In addition, concessions are also FREE and are sponsored by game-day donations, and several local companies, sponsors, and community partners.

2. **Special Things Happen Between White Lines**
   As the league began to grow and flourish, we saw our local community and countless individuals come together to experience something very special. Most of the volunteers that help sustain the league are individuals that do not have a child in the league as with other youth sport organizations. We have all been witness to the fact that special things really do happen between white lines, and we are fortunate to be a part of it.

**Maintaining Financial Stability and Sustainability:**
The year-over-year financial costs incurred to support our Mission and Purpose must be stable, reliable, and sustainable over time. Most of the families that have children and young adults with special needs cannot afford the costs associated with participating in a youth sports organization. It is therefore incumbent on our league leadership and volunteers to establish, maintain and nurture financial donations that are the underlying essence of our league. It is only through the generosity of individuals, local businesses and community partners can we continue our work.

**How To-Help:**
If you would like to help, even in some small way, or if you know of a business or organization that can, please let us know by contacting either Gene Kolisnyk, FOD President, at UKE123@aol.com (904-613-8005) or George Vancore, FOD Director and Founding Father, at gvancore@bellsouth.net (904-742-1470). Also, please feel free to visit our website for more information about Field of Dreams @ www.FODBaseball.com. Thank you for your help, support, and consideration.

## About FOD

Field of Dreams (FOD) ia voluntary based baseball league that supports children and young adults with special needs. They play their games on an ADA certified baseball field that allows children and young adults with special needs (intellectual or physical disabilities) the opportunity to play baseball, to wear a uniform and to play as a member of a team.

FOD is a place where children and young adults can meet at the field and play baseball. What child or young adult does not want to hear the cheering of the crowd; to receive a trophy or to play America's favorite sport? At Field of Dreams, they will, they do and they can.

Field of Dreams Baseball (FOD) is a 501(3)(c) non-profit voluntary-based organization and a proud member of the Creeks Athletic Association (CAA).

## REGISTRATION

Registration for the 2027 Field of Dreams season is now open!

To Register, please visit our website at www.FODBaseball.com and click the "Register Online" button on the left side of the browser. There is no cost to register!

For players to be guaranteed a uniform by opening day, registration must be completed by December 12, 2026.

The season begins on January 29, 2027

Although all things are free at Field of Dreams, donations are being accepted this year to help cover a portion of the cost for each player. The full cost to field a player, which includes a major league baseball hat, pants, team shirt, socks, belt, insurance, and trophies is approximately $115 per player. While this is not required, if you are able to help defray any of this cost or to make a donation, please feel free to donate via our "DONATE NOW" link within the website.

**Student Dress Code**

The primary responsibility for a student's attire resides with the student and their parent(s) or guardian(s). The St. Johns County School District expects students to dress in a way that is appropriate for the school day or any school sponsored event. Student dress code requirements reflect fair, equitable, and consistent practices for all students, while contributing to a safe and positive school climate.

In accordance with statutory requirement F.S. 1006.07 (students are prohibited from wearing clothing that exposes underwear or that exposes body parts in an indecent or vulgar manner).

Pajamas shall not be worn as exterior clothing on campus.

**Clothing must cover areas from one armpit to the other armpit, down to the mid-thigh. Tops must have shoulder straps and be long enough to adequately cover the waistline and not expose the midriff.**

Students must wear shoes that are safe and appropriate for the learning environment. **Bedroom slippers are prohibited.**

The principals or designers will determine the appropriateness of attire in conjunction with the current dress code policy.

For special events and occasions (spirt weeks, athletic contests, etc.) principals may modify this policy for their particular school.
